# **DPMS Panther Arms Recognized as Patriotic Employer**

## **MN Lt. Governor Carol Molnau On-Hand For Presentation of Award**

DPMS' commitment to supporting its employees who participate in America's National Guard and Reserve was recognized when the National Committee for Employers Support of the Guard and Reserve (ESGR) named DPMS as a Patriotic Employer. Minnesota Lieutenant Governor Carol Molnau presented the award to the company along with representatives from the ESGR and the MN National Guard. An employee who serves in the National Guard, and is currently deployed in Iraq, nominated DPMS for the award. More than half of DPMS' employees have previous military experience, and fourteen of those currently serve in the National Guard and Reserve, with two currently deployed in Iraq. This award recognizes DPMS' continuing support of the United States National Guard and Reserve and the men and women who protect freedom both at home and abroad.
