NEWS RELEASE

The "Receiver Rug"!

(Patent Applied For)

Stop Primers From Jamming Your Trigger With the "Receiver Rug"!

DPMS has done it again by bringing shooters another ingenious product that they will not be able to shoot without! DPMS unveils the patent applied for, "Receiver Rug", a molded, three-dimensional rubber gasket that blocks blown primers and other debris from wedging under the trigger action. Designed for easy installation, this clever little device is a must have for competition shooters, 3-gunners, military and law enforcement personnel because it keeps you in the fight! Available in two models, the Non-Molded Receiver Rug will work with adjustable triggers while the Molded Receiver Rug works with your Mil Spec triggers.

The Non-Molded Receiver Rug (LR-RR) retails for $3.95 each, and the Molded Receiver Rug (LR-RRM) retails for $8.95 each.

DPMS is an industry leader in providing quality AR-style rifles, components and accessories. No other company offers more styles or configurations of AR rifles. DPMS also provides choices for high-power and small-bore shooters by offering several rifles chambered in .204 Ruger, .22LR, .223 Remington/5.56x45mm, 7.62x39mm, 6.8x43mm SPC, .243 Winchester, .308 Winchester, .260 Remington and .300 Remington SAUM.
